

OPTEVIA NAMED TO 2009 MICROSOFT DYNAMICS PRESIDENT'S CLUB
Microsoft Honors Optevia for Outstanding Customer Commitment and Sales Achievement

OPTEVIA has been named to the 2009 Microsoft Dynamics President's Club receiving recognition from Microsoft Corp. for its dedicated commitment to customers. This honour reflects Optevia's success in extending the Microsoft Dynamics platform to drive business advantages in companies across the UK and Ireland.

This recognition came during Microsoft's Worldwide Partner Conference in New Orleans. It is a prestigious club, recognising a small group of Microsoft Business Solutions partners worldwide for achieving a high level of sales and business performance while maintaining a constant dedication to customer satisfaction and innovation.

"Microsoft is proud to congratulate Optevia on being named to the 2009 Microsoft Dynamics President's Club," said Doug Kennedy, vice president, Microsoft Dynamics Partners. "This accomplishment is a result of Optevia demonstrating unparalleled commitment by investing in the success of Microsoft Dynamics, our customers and solutions."

Public sector CRM specialist Optevia is dedicated to helping customers select the right solutions and services, which best meet their business needs, allowing them to achieve new levels of success. By working closely with the teams at Microsoft, Optevia maintains a comprehensive understanding of the Microsoft Dynamics platform in order to provide leading-edge solutions, services, and unparalleled value to Microsoft Dynamics customers.

Optevia provides design, implementation, integration, training, support & maintenance, and consultation services for public sector organisations throughout the UK and Ireland using business applications. Optevia specialises in Microsoft Dynamics CRM, Microsoft Office SharePoint Server and Microsoft Office Performance Point Server.

About Optevia

Optevia is an IT consultancy which specialises in the design, implementation and integration of customer relationship management systems for public sector organisations throughout the UK and Ireland. Optevia has a long pedigree of delivering customised CRM, business intelligence and data management systems to public sector organisations, based on Microsoft technology. Optevia's solutions are designed to address its customers' needs for low risk, standardised, easy to integrate, easy to use, shared service and SaaS ready software. Optevia's engagements are delivered on specification, on schedule and on budget. www.optevia.com
